20 Years Thami Mnyeale Foundation

a selection of 26 contemporary artists from all over Africa

March 12 t/m April 29 2011 in CBK Zuidoost

Opening Saturday March 12 at 15 h. Opening Speech: Guusje ter Horst, former Minister of the Interior and Kingdom Relations. She is also the chairman of HBO-Raad and a member of the Board of Trustees for the Stedelijk Museum in Amsterdam.

Kunstcafé Thursday April 14 from 17 to 19 h. Annet Zondervan, CBK director, in discussion with the organizers and artists: Bert Holvast, Samson Kambalu, Moshekwa Langa, Rutger Pontzen and Ina van Zyl.

Twenty years ago, inspired by the South African patriot and artist Thami Mnyeale (1948-1985), a group of Amsterdam based artists and concerned citizens, set up an artists-in-residence program, enabling artists from Africa the opportunity to live and work in Amsterdam for a period of three months. The atelier, that the Thami Mnyeale Foundation made available, continues to be a vibrant meeting place for artists from Africa and artists from the Netherlands.

The Thami Mnyeale Foundation together with the CBK has selected the work of 26 artists out of the 68 artists that have been working in the studio over the last twenty years. This choice gives a glimpse into the diversity of contemporary art practices coming out of Africa. The exhibited works were made by the artists and donated to the Thami Mnyeale Foundation during their stay in Amsterdam.
